

NTSE- TRAINING AT MICE UDUPI AND MANGALORE

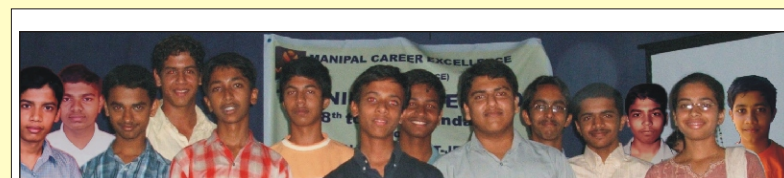

A Vast number of our children get excellent marks in SSLC/ PUC/ 12th standard exams, but are unable to top in the entrance exams.

Why?..... Our children in spite of the aptitude and the intelligence, lack the quickness and smartness needed for answering competitive exams.

What can be done?..... MICE - Udupi for the last 4 years has been successfully training students to appear for NTSE. This training is also a good foundation for the competitive examinations of the future.

Subjects covered

General Mental Ability, Mathematics, General Sciences (Physics, Chemistry, Biology), Social Sciences (History, Geography, Civics), Several tests and mock exams of NTSE pattern.

MICE students selected at State Level

Uttam Bhat

Sharathchandra

Mervin Rosario

Harshavardhan

MICE students Selected as National Talent Scholars

WHAT IS NTSE?

To identify brilliant students at the end of std.VIII and to give them financial assistance of Rs. 500/- per month, starting from std. IX towards getting the best possible education in India, so that their talent may develop and they may serve the discipline as well as the country. The Scheme therefore covers areas like Sciences, Social Sciences, Engineering, Medicine, Management, Accounting and Law.
